CMA Certified Management Accountant

The CMA® (Certified Management Accountant) is a globally recognized certificate that equips financial professionals to be part of the financial decision making process and influence the strategic orientation of the organization.

The CMA credential is...

- Focused** On the critical skills you use in business.
- Respected** Leading employers seek to hire and promote CMAs.
- Valued** CMAs earn higher compensation than noncertified professionals.
- Convenient** CMA Exams are offered electronically in hundreds of locations worldwide.

The CMA is tailor-made for finance professionals at all levels, whether you want to enhance your value to your current organization or expand your career potential.

What is the CMA program?

It is an advanced-level curriculum requiring candidates to demonstrate knowledge of accounting, finance and related fields.

The CMA program is composed of two parts:

PART I

Financial Planning, Performance and Control

- Planning, budgeting, and forecasting
- Performance measurement
- Cost management
- Internal controls
- Professional ethics

PART II

Financial Decision Making

- Financial statement analysis
- Corporate finance
- Decision analysis and risk management
- Investment decisions
- Professional ethics

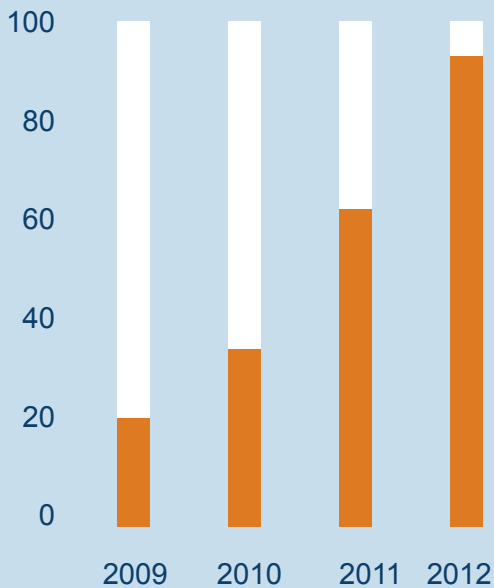

When can I start my classes?

5 / 7 / 2011

What is the Institute of Management Accountants (IMA)?

IMA is the world's leading organization dedicated to empowering management accounting and finance professionals to drive business performance. IMA administers the CMA program, curriculum, exams and grading.

Why should I join the CMA program at Emak International Academy?

- Step-by-step coaching approach
- Highly qualified experienced instructors and professionals
- increased chances of passing the exam through intensive practice
- Higher confidence from exam simulation

Who are Certified Management Accountants (CMAs)?

- Possess advanced financial and strategic management competencies
- Lead, manage, and make decisions in management accounting and financial management
- Are trusted partners to executives in all areas of an organization
- Evaluate performance and make decisions about the strategic direction of the organization
- Understand the business formula for delivering value to the customer
- Earn approximately 22 percent more than a non-certified professional

Where and when is the CMA exam given?

All examinations are offered by prometric, a worldwide network of testing centers. The exam is offered according to the following schedule:

- **January and February**

- **May and June**

- **September and October**

Today, CMAs hold key positions in a wide range of companies, including 3M, Alcoa, AT&T, Bank of America, Boeing, Cargill, Caterpillar, Hewlett-Packard, Johnson & Johnson, Procter & Gamble, and Verizon.

Earning the CMA will make you part of a network of over 30,000 credentialed peers worldwide.
